## PRODUCT SHOWCASE

## DESCRIPTION

- Adapter for the wireless connection of balances, force measuring devices etc. with an RS-232 interface to Bluetooth devices, such as Bluetooth printers, tablets, laptops, Smartphones etc
- In this way, where there is a physical separation or a large distance between the devices, the weighing data from one or several balances can be easily sent without cable and printed on a WiFi printer or transferred to a WiFi device (you would need the relevant software on the WiFi device, not included with the delivery)
- The compact adapter with its attractive design can usually be connected directly to the balance, e.g. an additional interface cable would not be necessary.
- Bluetooth adapter will be powered by the balance (if compatible) or with the mains adapter which is supplied as standard
- Range up to 100 m in the open, depending on obstacles, such as, for example, walls, and the sensitivity and type of antenna of the receiver
- Intersections of sending and receiving lines using the DCE/DTE switch
- Compatible with KERN BalanceConnection software
- Scope of delivery: RS-232/Bluetooth adapter, mains adapter (EU/UK/US/AUS/CH), USB-A to Mini USB B cable, gender changer, driver CD.

## SPECIFICATIONS

### Article codes, product groups & Status information

Model article-code	YKI-02
Model-Serie	YKI

Assortment	KERN
Product Type	Laboratory balances
Product group	Accessories (Printer, etc)
Product usage type	Accessories/DL

EAN code (Model) 404576 116 1573

Customs tariff number 84239010

## Technical data - Power supply

Mains adapter/adapter included CH;EURO

## Technical data - Packing & Shipping

Dimensions packaging (W×D×H) 160×155×65 mm

Gross weight 0.30 kg

Net weight 0.10 kg

Shipping method Parcel service

Packaging component - by weight - cardboard 190 g

Delivery time 1 d

## FUNCTIONS

Standard
